

NOVEMBER 2021- INSTITUTION LEVEL ACTIVITIES

EVENT 01:

Event Name	Seminar on “Opportunities / career guidance on Entrepreneurship and SAMBHAV NLAP”
Organizer	DSATM E Entrepreneurship Development Cell
Theme	To promote engagement of the youth in promoting entrepreneurship.
Venue	M’ Block (Seminar Hall)
Date	27.11.2021 (11.30 am to 1 pm)

Objectives of the Program/Event:

- To encourage the student’s participation in entrepreneurship and to improve local manufacturing in order to boost economic growth.
- To know various funding scheme for entrepreneur implemented by Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA.

Purpose:

The purpose of the seminar to inculcate the various entrepreneurship opportunities and MSME funding schemes.

About the Topic:

The Ministry of Micro, Small & Medium Enterprises (MSME) has launched an e-National Level Awareness Programme ‘SAMBHAV’, to promote engagement of the youth in promoting entrepreneurship. The e-National Level Awareness Programme 2021 ‘SAMBHAV’ was launched by Union Minister of MSME Narayan Rane in New Delhi. emphasized that new products and services created by budding entrepreneurs can give a cascading effect, for stimulating related businesses or sector. It is a mass outreach programme under the Ministry of MSME in which students from different colleges/ITIs from all parts of the country will be encouraged by 130 field offices of the Ministry to take up entrepreneurship. During the campaign the college students will be made aware of the various schemes being implemented by the Ministry of MSME through Audio/Video film presentations.

Resource person/ participants

1.Mr.R.Gopinath Rao, IEDS Dy.Director, Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA	2. Shri.Akadas G.R, Director, Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA
3. Mr. Hosamani, IEDS Assistant Director, Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA	4. Smt. Akshtha, Director,Bangalore. Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA
5. Smt. Suman Raju, Asst Director, MSME DI, Bangalore	6..Mr. Venkatachalam, IEDS Assistant Director, Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA

Number of participants: 100 Students (5th Semester Students of ISE, CSE, ECE, EEE, CIVIL, MECHANICAL, ARCHITECTURE and MBA)

Vision:

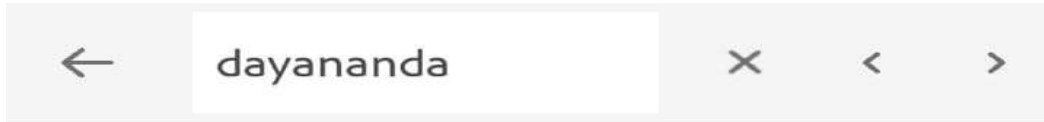

To encourage the students in promoting entrepreneurship, boost domestic manufacturing with a view to push economic growth.

Measurable Outcomes:

- Understand the opportunities related to entrepreneurship.
- Students able to understand the significance of entrepreneur.
- Gain knowledge about various schemes offered by MSME.

EVENT 02:

DSATM has Scored 4 star rating in the Annual Performance of Institutions Innovation Council 3.0 (2020-2021).

EVENT 03: Report on the Webinar "Recent Trends and Applications in Artificial Intelligence"
Organized by Department of Computer Science & Engineering

Event Name	Webinar
Theme	Recent Trends and Applications in Artificial Intelligence
Date	27-12-2021, Saturday
Tools Used	Conducted online through Google Meet platform. Webinar Link: https://meet.google.com/xan-ppcb-vph

Objectives of the Program/ Event:

1. A brief introduction to Artificial Intelligence.
2. Insight into the applications of AI in various fields.
3. Recent developments in the field of AI.
4. Open challenges/problems in AI.

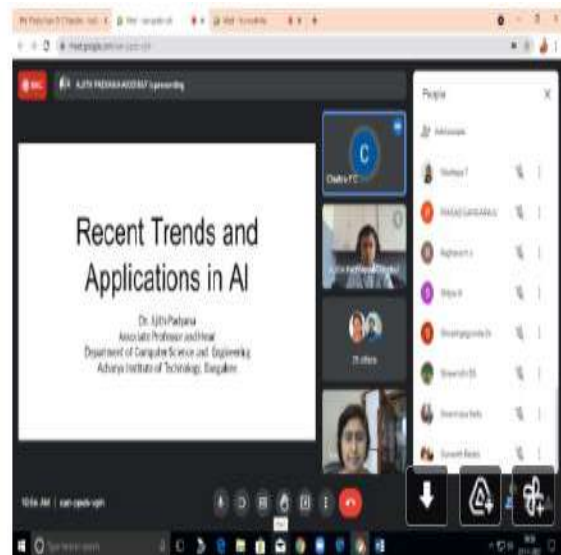

Resource person:

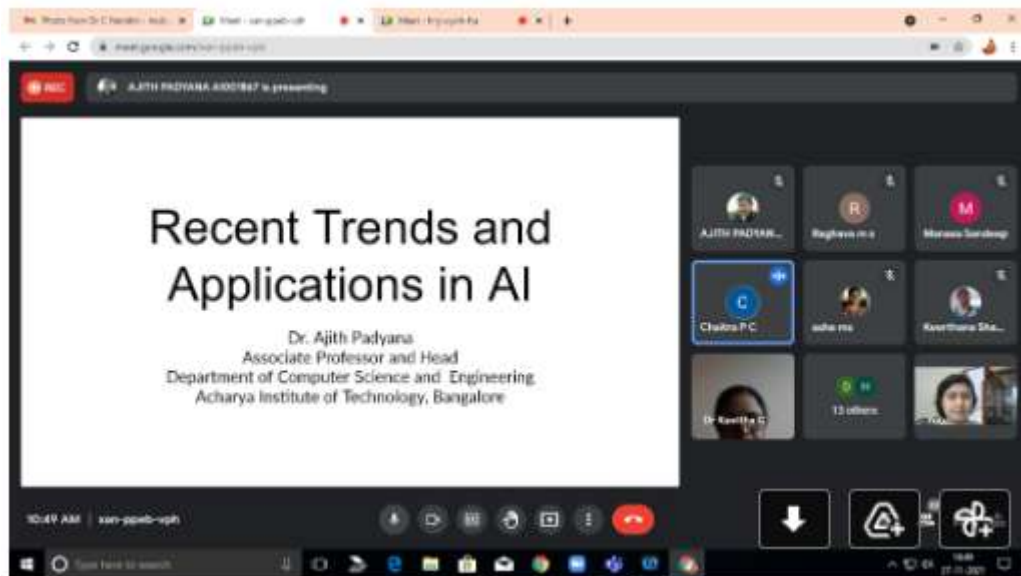

Dr. Ajith Padyana

Associate Professor & Head

Department of AI & ML

Acharya Institute of Technology, Bengaluru..

The event was hosted by Prof.Chaitra from CSE. Dr.Kavitha C Professor, CSE welcomed the gathering and Dr.Nandini, HOD CSE gave the presidential address. Dr.Prashanth Professor, CSE presented the vote of thanks.

Number of participants : 28

Identification and addressing the GAP: Adopting Artificial Intelligence as state of the art technology to attain their research goals. Creating awareness among young Research scholars at the institution & External Scholars registered under RC of different departments, about the meaning, Purpose, process of carrying out Real time research.

Measurable Out Come :

- Faculty understood the basic essential concepts in AI.
- Use AI as an approach to solve problems in their choose domain.
- Importance of AI and how in future AI would be an essential part of our lives.
- Research opportunities and open ended problems.

EVENT 04:

Event Name	Eduvation for Atmanirbhar Bharat – by Mr. Prasanth Palakkadiyil, Founder & Chief Business Facilitator, EMPSIS Solutions Global
Theme	Expert Talk
Date	30 th November 2021
Venue	Seminar Hall, M-block, Gr.floor
Participants	3 rd Semester students of 2020-22 batch and selected students from all branches of engineering – coordinated by Simha VLN

Objectives;

1. To give the students the opportunities to identify the different sectors of employment, including careers in Entrepreneurship.
2. To provide exposure to the various Skill Sets required to build a successful intheir chosen industry sectors.

Details about the Activity:

Mr. Prasanth started off with mentioning the importance of being 'Atmanirbhar' in life and how it affects every aspect of the professional career. He made the participants take the pledge of Atmanirbhar Bharat, which gave the students an impressive feeling from the start itself.

The resource person was able to inspire all the participants to take a journey of their own strengths which should be aligned to their choices of industry sectors and which skills are required to acquire a good employment in the same.

He gave a list of about more than 60 commonly known qualities of people and about 20 odd skills necessary to align for a good employment in the industrial sectors. This became an exciting proposal for all the students to be stuck to their seats with awe! This was like telling them that if the required skills are picked up by them then the jobs will be in search of them!

The event witnessed 68 students from different branches of engineering and the entire class of 3rd semester students of 2020-22 batch totalling to 51, attended the event, taking the grand total of participants to 120 and about 10 faculties from MBA and engineering streams.

Ms. Pooja R, hosted the event by being the Master of ceremonies and Ms. Supritha Shekhar assisted in welcoming the guest. Ms. Harshitha Hegde took the responsibility of introducing the expert speaker and chief guest of the day, Mr. Prasanth Palakkadiyil, Founder & Chief Business Facilitator, EMPSIS Solutions Global. The formal event commenced with the opening remarks from Dr. Geetha R, Professor and HOD-MBA. Mr. Yashwanth and Abhilash took the role of providing the technical support and Deepak G covered the photography for the event. Vote of thanks for the event was delivered by Ms. Sindhu BR.

The speaker had a good interaction with the students as part of the probing questions he posed to the students constantly. In the end of the program the participants could also recognise many take aways, like being innovative and creative, strengths identification, inter-departmental collaboration, cross-functional association, industry trends, required skill sets, networking with industries and acquiring industry oriented memberships. The entire event was lively, as all of them could identify themselves with wide range of opportunities open to them as the students could comprehend their journey on the way to be entrepreneurs.

Measurable outcomes, w.r.t. realisation of Vision:

- The students could identify their requirements of the sectoral choices in the industry.
- Many industry specific sectors could be identified for employment opportunities as well as in entrepreneurship.
- The majority of the trending skill sets required for future growth of economy were identified.

EVENT 05:

DSATM celebrated Karnataka Rajyothstava on 29/11/2021, Mr. Srini Actor & Director as the Guest in presence of Dr. M. Ravishankar, Principal, DSATM.

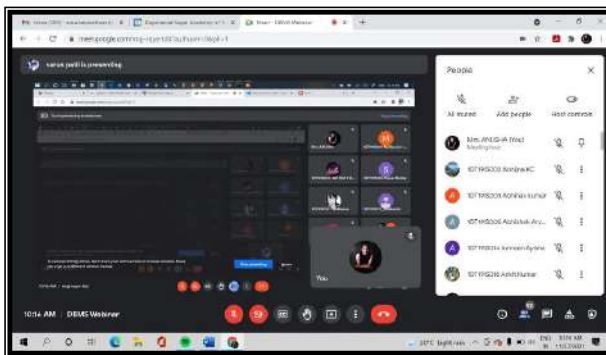

NOVEMBER – 2021- DEPARTMENT LEVEL ACTIVITIES

DEPARTMENT OF INFORMATION SCIENCE & ENGINEERING

EVENT 01: Ms. Keerti Patil and Ms. Vasudha G Rao organized technical Session on “**Postgre SQL**” on 27th Nov 2021 from 9.30am to 11am in Room no 308 for 5th Semester A, B and C section. The session focused on learning Industrial approaches of Postgre SQL .The Resource person was **Mr.Varun Patil, Full Stack Developer, Autodesk, Bangalore.**

EVENT 02: Technical Session on **PITCHING EVENT-Ideas Scouted and Amp**” was organized on 13thNov 2021 from 9.30am to 4:30pm in Room no 308. Majorly addressed on the topics such as Vision and value proposition. This was a detailed overview of business and the value that it provides to customers. The event focused on the problem, Target market and opportunity, the solution, Revenue model or business model for 5th semester students. The Resource person was **Dr Anusha Preetham, Blue Prism Certified faculty and Asst. Professor, ISE, DSATM. Dr G Manjula, CISA Certified faculty on Cyber Security and Security treats and Assoc. Professor, ISE, DSATM.**

EVENT 03: Technical Session on **“PITCHING EVENT-Developing Online Repository of ideas Developed and Way Forward Plan”** was organized on 27th Nov 2021 from 12.30am to 4:30pm in Room no 308. The event focused on enhancing the skills of students in Concept Based Ideas for 5th semester students. This event tried to cover the basics of Algorithm and Flowchart with the help of a Problem Statement. The Resource person was **Dr G Manjula, CISA Certified faculty on Cyber Security and Security treats and Associate Professor, ISE, DSATM.**

EVENT 04: Training the Rural students in Basic Computer Skills on **“MS Word and Excel”** by Dr. Sreenivasa Setty, at Sri Sathya Sai Saradha Vidya Niketanam, Maradevanahalli, Mandya on 13th & 14th November 2021.

EVENT 05: Workshop on **“Android App Development Using Blok Coding”** by Dr. Sreenivasa Setty, at department of CSE, ATRIA Institute of Technology, Bangalore on 20/11/2021.

EVENT 06: 60 students of VII Sem underwent internship in the Smart Desert pvt ltd Bangalore in the platform Full **Stack Development** from period 16 Aug 2021 to 17 Sep 2021.

EVENT 07: 48 students of VII SEM underwent internship in Reverse Engineering InfoSec, Bangalore in the platform AWS Cloud Computing at Ethnus Technology, Bangalore **from period 16 Aug 2021 to 17 Sep 2021**

EVENT 08: 28 students of VII Sem underwent internship in Reverse Engineering InfoSec, Bangalore in the platform Cyber Security **from period 16 Aug 2021 to 17 Sep 2021.**

EVENT 09: **Dr.Thirukrishna J T** has been the Technical Reviewer in the 3rd IEEE International Conference on **Innovations in Power and Advanced Computing Technologies** held from 27 to 29 November 2021.

EVENT 10: **Dr. G Manjula** successfully completed online course on **ICS Cybersecurity Threats** which was presented by U.S Department of Homeland Security Agency (CISA). It was held on 27th November 2021.

EVENT 11: **Mr. Ayush Rungta**, student of 5th semester A section with USN 1DT19IS026 has been selected for the **Regional Level Competitions of India Skills - 2021** in the Skill Category of "IT Software Solutions for Business (ITSSB)". He will be undergoing training for few days 24th of November till 27th November.

EVENT 12: **Mr. Chaythanya Sinha**, student of 5th semester A section with USN 1DT19IS033 has received internship offer at **J. P. Morgan** offices in **Glasgow, U.K.** as **Summer Analyst** in Software Engineer Program. This will start in or around June 2022.

JPMORGAN CHASE & CO.

Message from Jamie Dimon, Chairman and CEO

Welcome to JPMorgan Chase. We are pleased that you will be starting your career at an exceptional company — one of the world's oldest, largest and best-known financial institutions.

Across our businesses, we continue to deliver record results, innovative products and services for our customers, and great experiences for our employees. Named #1 in *Forbes's* Change the World list, we are focused on helping communities large and small grow around the world. We are excited to join JPMorgan Chase, and now — with your skills, experience and creative ideas — you'll help us continue to drive change.

During your time here, you will have opportunities to learn and grow in a supportive, successful and inclusive environment. The joy of it is to contribute and succeed on everything you do, by building strong relationships and doing the right thing — at all times — we have made this a company of which we can all be proud. It's how we do business. And, it is what has made us a top employer and a great business partner.

As you begin your career with JPMorgan Chase, I offer you an essential piece of advice: do your job well, and earn the trust and respect of the people around you. Throughout your employment, you will hear about the challenges our teams believe in — and the encouragement you to put it into practice every day.

I hope you enjoy working here as much as I do, and I look forward to meeting many of you.

Best of luck in what I am sure will be a rewarding experience.

18-NOV-2023

K. CHRISTINA SMITH
ALBERT EINSTEIN MEADOWS
& ANNA L. FULMER BUILDING
JPMORGAN CHASE
BANKERS BUILDING
BOSTON, MA
UNITED STATES OF AMERICA

Dear Christina,

Congratulations, we are pleased to formally present the details of your employment offer.

EVENT 13: Mr. Manish Kumar student of 3rd semester A section with USN 1DT20IS052 qualified NPTEL online certification on course "problem solving through programming in C.

This certificate is computer generated and can be verified by entering the QR code given below. This will display the certificate from the NPTEL website. <https://www.nptel.org/verify>

REF No: NPTEL11/2023/2023/052

To: MANISH KUMAR
USN: 1DT20IS052
COURSE: PROBLEM SOLVING THROUGH PROGRAMMING IN C
COURSE CODE: NPTEL11/2023/2023/052
REGISTRATION NO: NPTEL11/2023/2023/052

Score	Type of Certificate
76.00	Merit Certificate
70.00	Diploma
60.00	DEP
40.00	Satisfactorily Completed
0.00	No Certificate

No. of credits recommended by NPTEL: 3
An additional 1 credit may be awarded for the certificate, upon the successful completion of the course (subject to approval by the Institute).

RITA

NPTEL Online Certification
Jointly by the Ministry of HRD, Govt. of India

This certificate is awarded to
MANISH KUMAR
for successfully completing the course
Problem Solving through Programming in C
with a consolidated score of **76** %

Online Assignments	Programming Exam	Post-test Exam
24/25/25	25/25	26.5/30

Total number of candidates certified in this course: 1426

Prof. G. P. Raju Kumar
Director, NPTEL

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

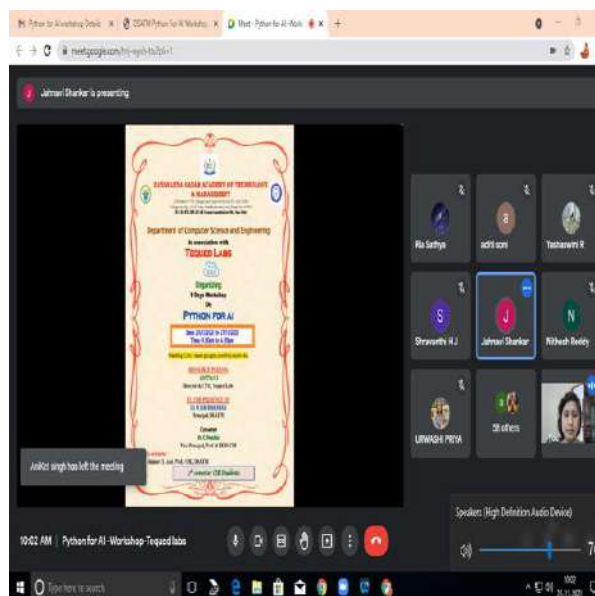

EVENT 01: 3 day Workshop on Python For AI

Date: 25/11/2021 to 27/11/2021

Speaker: Aditya S K, Director & CTO, Tequed Labs

Venue: Online

Participants: 7th semester CSE students

EVENT 02: MOU with TechnoServe India

Date: 18/11/21

Dayananda Sagar Academy of Technology and Management signed Memorandum of Understanding with TechnoServe India on 18th November 2021 towards Providing Industrial training, Skill development programs to student by industry experts, Placement for trained students. Mr.Subhro Senior Manager, TechnoServe India , Mr.Vikas BO Lead Technical Specialist, TechnoServe India, Dr. Ravishankar, Principal, DSATM, Dr. C Nandini, Vice Principal, HOD's of various departments, Dr. Prashanth C M, Professor, CSE, Dept., Jahnvi S, Asst. Prof., CSE DSATM , Nethra H L, Asst. Prof., CSE, DSATM represented herein .

EVENT 03: Centre of Innovation & Skill Lab Inauguration at CSE department in association with Tequed Labs Pvt Ltd

Date: 29/11/2021

Venue: 207, 2nd floor, A block, DSATM

EVENT 04: “SMART HACKS– 2020-21” EICT Academy- IIT, Kanpur

“SMART HACKS– 2020-21” that EICT Academy- IIT, Kanpur was conducted in DSATM and the First Phase: An Online Programming Quiz Contest on C & C++ was conducted. The Second Phase: Final phase will be Mega Finale at IIT Kanpur. Akarshan Kumar of DSATM won the first prize.

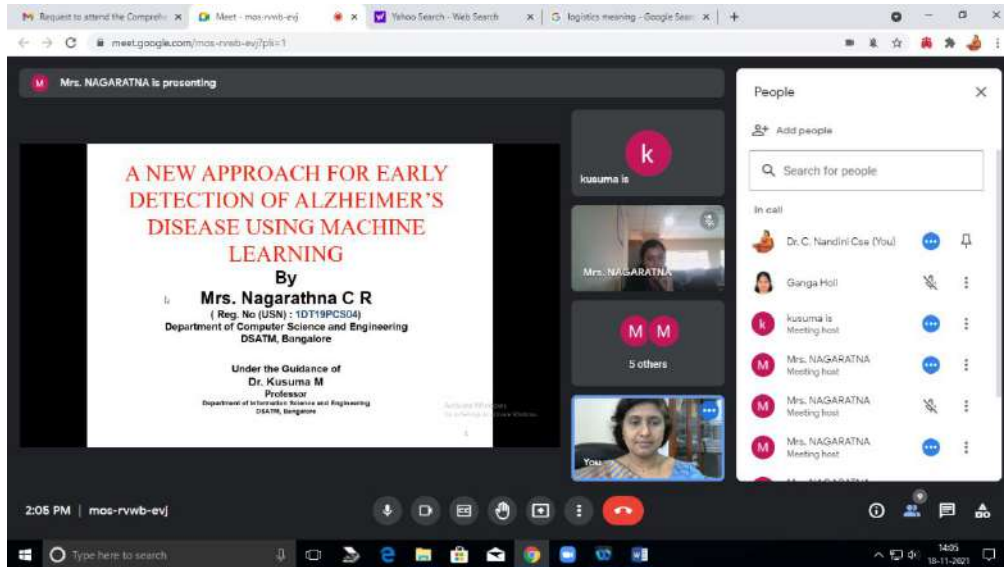

EVENT 05: Mysore B.Arch students of SPA visited DSATM and interacted with Vice Principal Dr C Nandini for the project development.

EVENT 06: Faculties of DSATM participated in CENTCON 21 and Students of DSATM performed at CENTCON 21

EVENT 07: Research Centre Activity - Comprehensive Viva of Mrs Nagarathna in CSE Research Centre was held on 18/11/2021

EVENT 08: Faculty Achievement

- **Dr Kavitha C of CSE department attended Centcon 2021 has Track Chair : IOT in Centcon2021**
- **Mrs Chaitra YR of CSE department attended one week online FDP on “Nuances of Writing Research Proposals and Funding Opportunities.”**

- **Chaitra P C of CSE department completed the NPTEL Online certification on “The Joy of computing using Python”**

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

EVENT 01:

Event Name	Seminar
Topics	“Opportunities / career guidance on Entrepreneurship and SAMBHAV NLAP”
Date	27/11/2021
Mode	Online
Resource Persons	Mr.R.Gopinath Rao, IEDS Dy.Director, Ministry of Micro, Small & Medium Enterprises(MSME), GOVT OF INDIA
Coordinator	Mr. Syed Ateequr Rehman, Assistant Professor Dept. of ECE , DSATM

EVENT 02:

Event Name	Technical talk
Topics	“EduVation for Athmanirbhar Bharath ”
Date	30/11/2021
Mode	Offline
Resource Persons	Mr.Prakash Pallakkadiyil Founder and chief business advisor, EMPSIS Global solutions
Coordinator	Mr. Syed Ateequr Rehman, Assistant Professor Dept. of ECE , DSATM

Faculty Publications:

1. Shilpa D R, Rajith BK, Apoorva Raghunandan presented a paper on “Piezoelectric Energy Harvesting for Wearables” at 2nd IEEE International Conference on Communication, Computing & Industry 4.0(C2I4)-2021 – dated on 22/11/2021.
2. Apoorva Raghunandan, Shilpa D R presented a paper on “Design of FinFET Based Adiabatic Logic circuits in 18nm technology” at 2nd IEEE International Conference on Communication, Computing & Industry 4.0(C2I4)-2021 dated on 22/11/2021.
3. Mrs. Tripti R Kulkarni published a paper on “Noninvasive method for Heart Disease prediction using Machine learning algorithm for Photoplethysmograph signals, Clinical and Experimental Cardiology”, Publication, Vol.12 Iss 10 NO:1000704, November 2021.

Faculty Participations:

1. Dr. Karibasappa K attended FDP on “Nuances of writing research proposals and Funding” organized by research cell and department of MBA, DSATM dated on 20/11/2021.
2. Dr. Roopa R Kulkarni attended VLSI Digital Laboratory Primer Training Program, on 16th, 17th, 29th and 30th of November 2021, organized by Entuple Technologies, Bengaluru.
3. Dr. Roopa R Kulkarni attended as a technical paper reviewer at Three days Sagar Centenary IEEE International Conference on Disruptive Technologies for Inter-Disciplinary Research and Applications - CENTCON 2021 from 19th -21st November 2021.
4. Dr. Roopa R Kulkarni attended as a resource person at Faculty development program titled “Digital Electronics Applications to Process control and Bio-Medical Instrumentation”, on 23rd Nov 2021 organized by SRM Valliammai Engineering College, Chennai.
5. Mrs. Tripti R Kulkarni attended Three days Sagar Centenary IEEE International Conference on Disruptive Technologies for Inter-Disciplinary Research and Applications - CENTCON 2021 from 19th -21st November 2021.

DEPARTMENT OF CIVIL ENGINEERING

EVENT 01: Memorandum of Understanding – Protect Infrastructure Systems Pvt. Ltd

Event Name	MoU between DSATM – Civil Dept & Protect Infrastructure Systems Pvt. Ltd		
Theme/ Purpose of Event	Bridging Industry – Academia Relationships/ Gap		
Date	9 th October 2021	Time	10.00 am
Organization Representatives	Dr. M Ravishankar (Principal) & Dr. K N Vishwanath (HOD-Civil) for DSATM Sri Ragnath S B (Chief Managing Director) & Sri Ananda M A (Group Director) for Protect Infrastructure Systems Pvt. Ltd, Bangalore		
Venue	Board Room, A Block, DSATM		

About the Event/ Purpose and Outcomes of the Event

- The MoU is aimed at ensuring the gap between the industry and academics is bridged through transfer of knowledge and technology
- The MoU aims to foster relations between the Institute and Industry for conduction of workshops, seminars, and technical events
- The MoU ensures student internships, students mini-projects and student's placements related orientations and activities
- Currently 9 Batches of Final Year UG Students are pursuing Mini Projects under the organization

EVENT 2: Technical Talk/ Technical Seminar

Event Name	Water Proofing Concepts & Opportunities in Civil Engineering		
Theme/ Purpose of Event	Technical Skills/ Knowledge Enhancement		
Date	9 th October 2021	Time	10.30 to 11.30 am
Speakers	Sri Ananda M A (Group Director) for Protect Infrastructure Systems Pvt. Ltd, Bangalore		
Event Coordinators	Prof. H S Jayatheertha (Asst. Professor) & Prof. Vinay Kumar K S (Asst. Professor)		
Student Participation	115 Students of Final Year UG Program		
Industry Associations	ICI – Bangalore Center & Protect Infrastructure Systems Pvt. Ltd		
Venue	Room No. 205, 2 nd Floor, C Block		

About the Event/ Purpose and Outcomes of the Event

- The technical talk created awareness on the importance of water proofing and various technical terms associated.
- The technical talk also encompassed the alternative paths that a civil engineering graduate can choose in his/her professional career
- Various career opportunities were also discussed during the event

EVENT 3: Industry Conclave

Event Name	INDUSTRY CONCLAVE - 2021		
Theme/ Purpose of Event	Creating Awareness about trends & expectations in industry from students, Role of teachers in molding students to the needs. Responsibility of students in their preparedness towards being employable		
Date	23 rd October 2021	Time	10.00 am to 2.00 pm
Speakers/ Invitees	Sri. Ravishankar, General Manager Bureau Veritas Bangalore Sri. Girish..P, Senior Manager Bureau Veritas, Bangalore. Sri. Nanda Kishore, AGM Penna Cements		

	Smt. Aruna, Senior Technical Engineer PWD Bangalore Circle Sri.Shankar Murthy, Manger Infrastructure Division, TCS Bangalore Sri. Arun T G, Project Head Aerial Route Technologies, Bangalore
Event Coordinators	Dr. K N Vishwanath (HOD- Civil) & Prof. Vinayak A Hosur (Asst. Professor)
Student Participation	115 Students of Final Year UG Program & 80 Students of 3 Year UG Students
Industry Associations	ICI – Bangalore Center & All Participating Industry in the Conclave
Venue	Seminar Hall, 4 th Floor A Block - DSATM

About the Event/ Purpose and Outcomes of the Event

- Industry Conclave is to create and provide a forum for sharing market scenario, need of the industry, expectations from the employer with students.
- Provide students necessary guidance & Direction related to employability.
- Knowing Roles of teachers & Responsibility of students in getting additional skill-based add-on courses towards being employable
- Students were given an overall insight by the experts about the works & Projects being carried out by their organization.
- Internship & job opportunities in different verticals of civil engineering.
- Showcasing Opportunities available in the private, Public & Government sector.

EVENT 4: Technical Talk/ Technical Seminar:

Event Name	Career Pathway & Study Abroad Opportunities		
Theme/ Purpose of Event	Creating Awareness about various career and higher studies opportunities Abroad		
Date	24 th November 2021	Time	2.00 to 4.00 pm
Speakers/ Special Invitees	Mr. Joel Noronoh, Head of Operations Karnataka & Kerala, AECC Mr. Prasad Shetty Manager, Business Development AECC.		
Event Coordinators	Prof. P Girish & Prof. Vinay Kumar K S (Asst. Professor)		
Student Participation	115 Students of Final Year UG Program & 80 Students of 3 Year UG Students		
Industry Associations	ICI – Bangalore Center & AECC Global, Bangalore		
Venue	Seminar Hall, 4 th Floor A Block - DSATM		

About the Event/ Purpose and Outcomes of the Event

- To create and provide a forum for sharing market scenario, need of the industry, expectations from the employer from students while being absorbed.
- Provide students necessary guidance & Direction related to employability.
- Information about different universities, their standalone facilities, courses offered, fee structure, applying process and eligibility criteria.
- Students were given an overall insight by the experts about the employability opportunities, readiness on their part
- Awareness about universities, courses, possible admission options were given.

EVENT 5: Walk A-Thon

Event Name	Building Safety Walk, A-Thon		
Theme/ Purpose of Event	The event was organized to spread awareness and highlight the importance of Civil Engineers in Construction Related Activities		
Date	25 th November 2021	Time	10.00 am to 1.30 pm
Event Coordinators	Prof. P Girish & Prof. Vinay Kumar K S (Asst. Professor)		
Student Participation	115 Students of Final Year UG Program		
Industry Associations	ICI – Bangalore Center & ACCE (India), Bangalore Center		
Venue	Freedom Park, Bangalore		

About the Event/ Purpose and Outcomes of the Event

- To create awareness on the importance of civil engineers on site of any construction related activities
- The walkathon was organized to submit a memorandum to the Honorable Chief Minister of Karnataka, to bring stricter by-laws and policies governing the construction activities.
- The recent damages on civil engineering structures and premature failure of structures as brought about this concern.
- Various issues related to current practice in civil engineering field was discussed by expert panelist before the walkathon concluded
- Key points to note were the role of civil engineers in building the economy of the country through infrastructure development

FACULTY ACHIEVEMENTS

Sl.No	Name of the Staff	Name of the Event Attended/ Title of Paper Presented	Organizing Institute
1	Dr. K N Vishwanath	One Week Lecture Series on "Recent Trends and Practices in Geo- Engineering – 15 to 19 th Nov 2021	CSIR – Central Building Research Institute, Roorkee, In Association with University of Sydney, Australia
2		3 Day Workshop and Environmental Quiz on "Sustainable Development Initiatives for Asian Countries" – 23 to 25 th Nov 2021	CEPHA Network, In Association with IIT- Madras & Prakruthi Institute of Environmental Studies
3		Technical Talk on "A Tale of Two Temples" – 20 th Nov 2021	Ultra-Tech Cements Ltd

DEPARTMENT OF MECHANICAL ENGINEERING

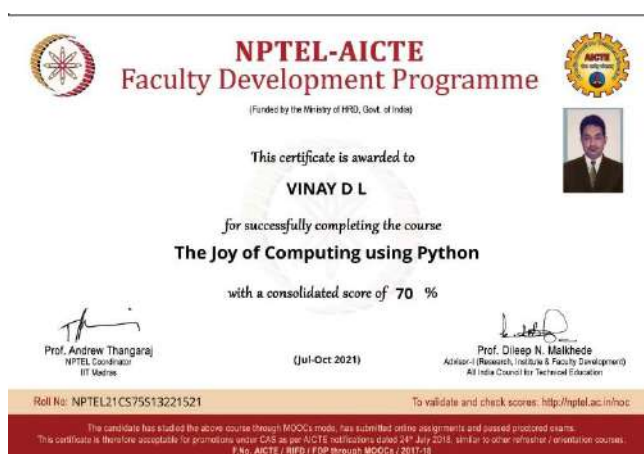

EVENT 01: FACULTY PARTICIPATED AND COMPLETED THE NPTEL ONLINE CERTIFICATION COURSE.

Mr. VINAY D L, Assistant Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated and completed 12 WEEKS NPTEL online certification course “THE JOY OF COMPUTING USING PYTHON” from July 2021 to October 2021.

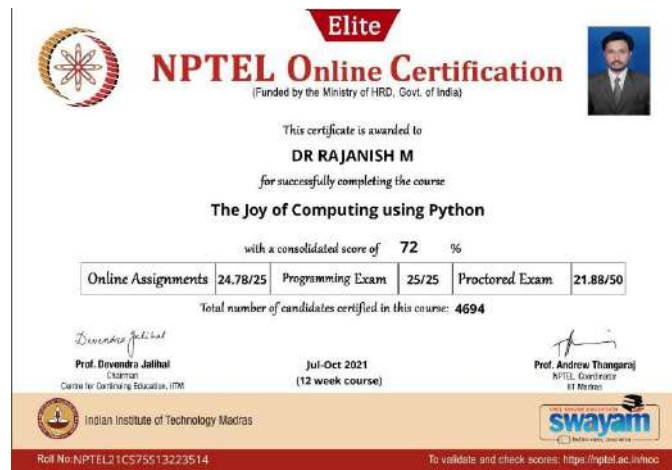

EVENT 02: FACULTY PARTICIPATED AND COMPLETED 10 DAYS FDP NPTEL-AICTE.

Mr. VINAY D L, Assistant Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated in 10 days online FDP on “THE JOY OF COMPUTING USING PYTHON” organized by NPTEL-AICTE from July 2021 to October 2021.

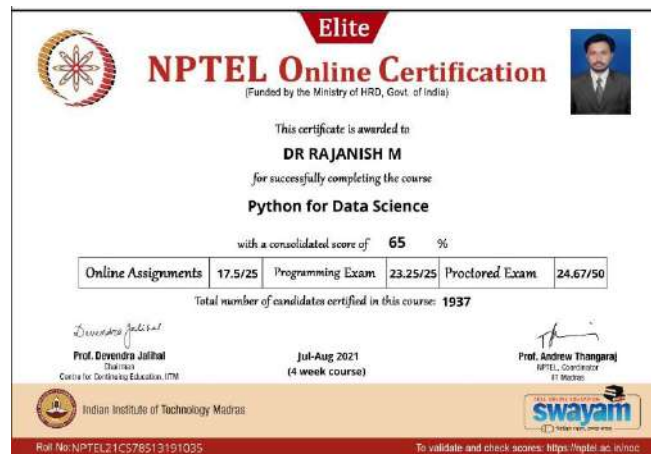

EVENT 03: FACULTY PARTICIPATED AND COMPLETED THE NPTEL ONLINE CERTIFICATION COURSE.

Dr. Rajanish M, Associate Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated and completed 12 WEEKS NPTEL online certification course “THE JOY OF COMPUTING USING PYTHON” from July 2021 to October 2021.

EVENT 04: FACULTY PARTICIPATED AND COMPLETED THE NPTEL ONLINE CERTIFICATION COURSE.

Dr. Rajanish M, Associate Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated and completed 4 WEEKS NPTEL online certification course “PYTHON FOR DATA SCIENCE” from July 2021 to August 2021.

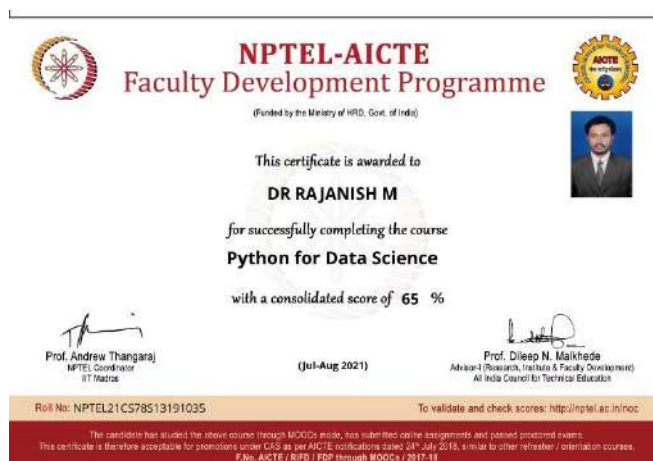

EVENT 05: FACULTY PARTICIPATED AND COMPLETED 10 DAYS FDP NPTEL-AICTE.

Dr. Rajanish M, Associate Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated in 10 days online FDP on “THE JOY OF COMPUTING USING PYTHON” organized by NPTEL-AICTE from July 2021 to October 2021.

EVENT 06: FACULTY PARTICIPATED AND COMPLETED 4 DAYS FDP NPTEL-AICTE.

Dr. Rajanish M, Associate Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated in 10 days online FDP on “PYTHON FOR DATA SCIENCE” organized by NPTEL-AICTE from July 2021 to August 2021.

EVENT 07: FACULTY PARTICIPATED AND COMPLETED ONE WEEK FDP ORGANIZED BY DEPARTMENT OF MBA, DSATM UNDER IQAC AND RESEARCH CELL.

Dr. K Mahesh Dutt, Professor, Department of Mechanical Engineering, Dayananda Sagar Academy of Technology and Management, Bengaluru, has participated in One Week FDP on “Nuances of Writing Research Proposals and Funding Opportunities” organized by Department of MBA, DSATM under IQAC and Research Cell from 15th to 20th November 2021.

MASTER OF BUSINESS ADMINISTRATION

EVENT 01: Entrepreneurship Opportunities and Government Incentives

Event Name	Entrepreneurship Opportunities and Government Incentives – Mr. Madhu M S, Jt. Director, CEDOK
Theme	Expert Talk
Date	10 th November 2021
Venue	M-401 Seminar Hall, M-Block 4 th Floor
Participants	3 rd Semester students of 2020-22 Batch – Coordinated by Simha VLN

Objectives of the Program / Event

- To give the students the insight into opportunities in Entrepreneurship.
- To provide exposure to Government Schemes for Entrepreneurs.

Details about the Activity:

The entire class of 3rd semester students of 2020-22 batch attended the event with keen interest. Mr. Yashwanth was the emcee and Ms. Supritha Shekhar took the responsibility of introducing the expert guest of the day. Vote of thanks for the event was delivered by Mr. Simha VLN.

Mr. Madhu was crisp and precise in his talks by introducing the concept of Entrepreneurship, briefly and spoke at length on the Innovations in Entrepreneurship, the various categories of government schemes and the specific eligibility criteria for the respective schemes announced by the central government.

He told that the national industrial policy by the central government is implemented by all the states through its individual state-wise industrial policies. All the MSME schemes are also implemented similarly.

The speaker had a good interaction with the students as part of the Question and Answer session, though the entire talk was also lively, where he kept probing students with repeated questioning. The students were equally enthusiastic in the interaction session as some of the students are on their way to be entrepreneurs.

Measurable outcomes, w.r.t. realisation of Vision:

- The students had lots of information collected as part of the innovative methods of entrepreneurship ideas given by the speaker.
- The many government schemes introduced by the speaker taught the students regarding various available options for planning entrepreneurship as their careers.

EVENT 02: One Week online FDP

Event Name	One week virtual Faculty Development Program
Theme	Nuances of Writing Research Proposals and Funding Opportunities
Date	15th to 20th November 2021
Platform	Zoom Platform, hosted by Dept. of Management Studies, DSATM under IQAC & Research Cell
Coordinator	Dr. Divya U , Asst. Professor(Finance) MBA

The Department of Management Studies, DSATM organized one week FDP between 15th & 20th November 2021 on Nuances of Writing Research Proposals and Funding Opportunities. The FDP was organized with the following objectives:

Objectives of the Programme:

1. To provide knowledge on writing good research proposal and Funding opportunities for Academicians as well as Scientists working on Research.
2. To understand the structure of Research proposal.
3. To know about the different funding agencies available and their expectations.
4. To get insights regarding factors that increase the chances of getting Funded.

FDP Details

The program commenced with an Invocation song and welcome address by Dr Divya U. The Program was inaugurated by **Dr. Ravishankar M** ,the Principal and Director, DSATM. He delivered the inaugural address and the opening remarks during which, he complimented the organizing team of MBA Department for hosting the program which is of great value to the academicians and researchers. He shared statistical insights pertaining to the funding allocation by the Governmental agencies in India. Dr. Geetha R, HOD MBA, supporting team members and the participants representing 47 Institutions graced the occasion.

Event Details:

- Total No. of Registrations-128

- No. of External Registrations- 57
- No. of Registrations of DSATM and DSI-71
- Total No. of Participants taken up quiz and issued certificates -59
- A revenue of ₹ 9000 was generated from the FDP through participant registrations.

Day-1: Session- Problem formulation techniques and writing of funding proposals. By DR. Krishnamoorthy V

Dr V Krishnamoorthy. Professor, Department of Management Studies, Kongu Engineering College chaired first day's session on *Problem formulation techniques and writing of funding proposals*. This was hosted on 15th November. It was a very insightful and useful session and well received by the participants. Day-1 sessions were coordinated by Dr. Divya U, Asst. Professor, DSATM..

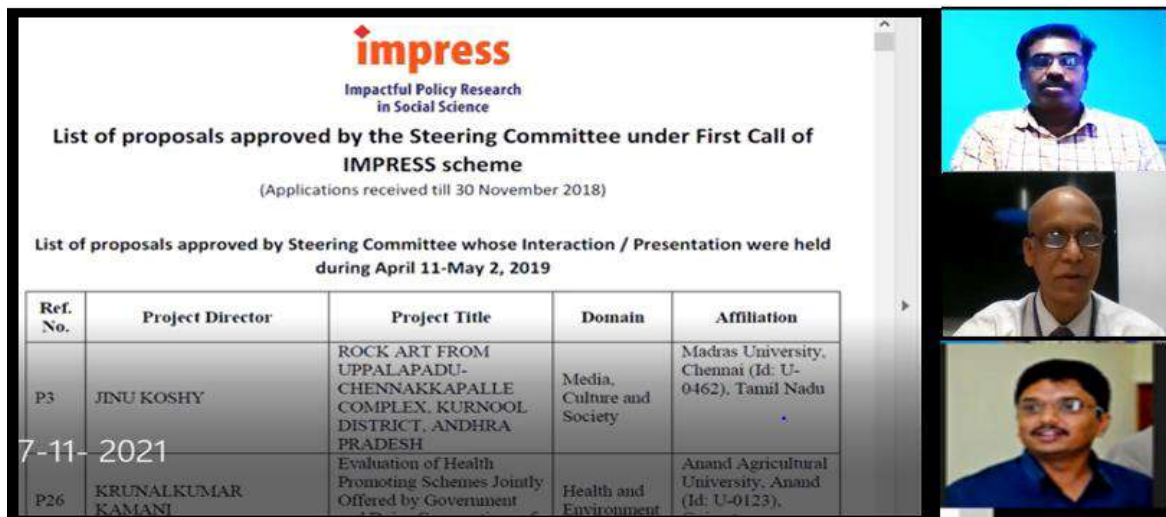

Day-2: Session : Structure of the Funding Proposal by Dr. Krishnamoorthy V

The session two was on -Structure of the funding proposal. The session was delivered by Dr Krishnamoorthy V. It was related to writing of research proposal for funding grants with appropriate structure. Sir covered Funding proposal structures for various grants such as grants for organising FDP, seminar ,events, research fellowship, study grants, research projects etc from government and non governmental funding authorities. The session was highly engaging, and interactive. The session was coordinated by Dr Divya U , Asst Professor, Dept of MBA, DSATM

Day-3: Session – Nuances of funding proposal by Dr. Krsihnamoorthy

The session on third day was on *Nuances of funding proposal* by Dr Krishnamoorthy. By demonstrating sample proposals submitted to UGC , AICTE, ICSSR and other funding agencies, he explained the nuances of funding proposal. This session helped the participants to gain knowledge about the effective way of writing funding proposals with real examples. *The session was coordinated by Mr.VLN.Simha , Asst Professor, Dept of MBA, DSATM*

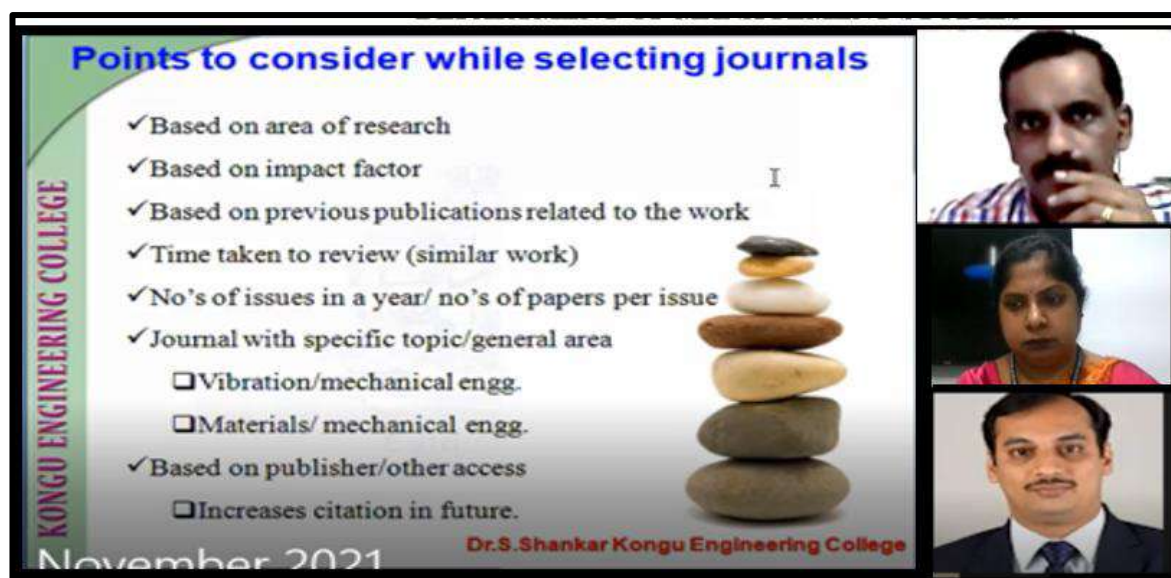

The screenshot shows a presentation slide for the IMPRESS scheme. The slide title is "List of proposals approved by the Steering Committee under First Call of IMPRESS scheme (Applications received till 30 November 2018)". Below this, it says "List of proposals approved by Steering Committee whose Interaction / Presentation were held during April 11-May 2, 2019". A table lists two proposals:

Ref. No.	Project Director	Project Title	Domain	Affiliation
P3 7-11-2021	JINU KOSHY	ROCK ART FROM UPPALAPADU-CHENNAKKAPALLE COMPLEX, KURNOOL DISTRICT, ANDHRA PRADESH	Media, Culture and Society	Madras University, Chennai (Id: U-0462), Tamil Nadu
P26	KRUNALKUMAR KAMANI	Evaluation of Health Promoting Schemes Jointly Offered by Government	Health and Environment	Anand Agricultural University, Anand (Id: U-0123),

On the right side of the slide, there are three video call windows showing participants: a man in a white shirt, a man in a white shirt and glasses, and a man in a blue shirt.

Day-4: Session – Problem formulation techniques by Dr. Shankar S

Session 4 was - *Problem formulation techniques* . It was delivered by the acclaimed Resource person Dr Shankar S. He touchbased on topics such as Investigators Profile, Novelty of the Problem, Institution Credentials and Publication in Quality Journals. The session was highly informative and interactive . It was highly appreciated by the participants. *The session was well coordinated by Dr Anjana Devi N , Assosiate Professor, Dept of MBA, DSATM.*

The screenshot shows a presentation slide titled "Points to consider while selecting journals". The slide lists several criteria:

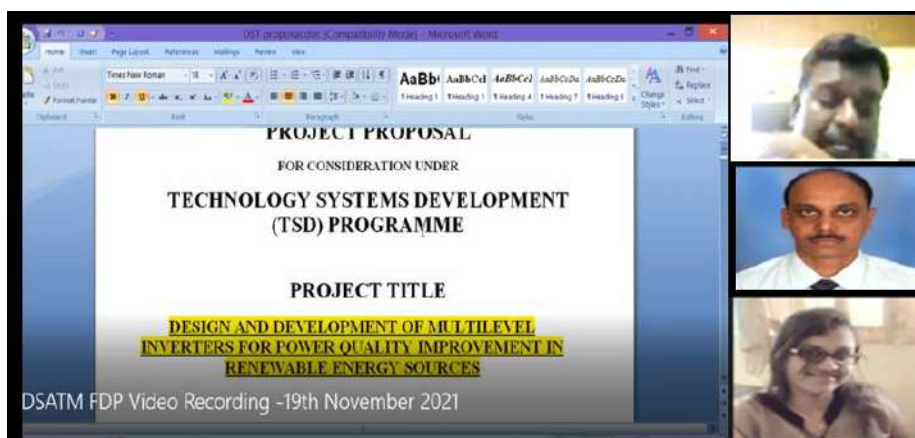

- ✓ Based on area of research
- ✓ Based on impact factor
- ✓ Based on previous publications related to the work
- ✓ Time taken to review (similar work)
- ✓ No's of issues in a year/ no's of papers per issue
- ✓ Journal with specific topic/general area
 - Vibration/mechanical engg.
 - Materials/ mechanical engg.
- ✓ Based on publisher/other access
 - Increases citation in future.

The slide also features a stack of smooth stones and the text "KONGU ENGINEERING COLLEGE" on the left and "Dr.S.Shankar Kongu Engineering College" at the bottom. On the right side, there are three video call windows showing participants: a man in a striped shirt, a woman in a pink and orange sari, and a man in a dark suit.

Day-5: Session- Funding proposals for fellowship/ overseas grants by Dr. Albert Alexander

The fifth day session was on - *Funding proposals for fellowship/ overseas grants*. Dr Albert Alexander was the resouce person and his total funding grants received is 2.3 crores from funding agencies in India and abroad. He has explained the overseas opportunities for research grants by

sharing his own experiences in funding. Sir has shown proposals format for applying for Post Doctoral Fellowship and collaborative research projects with Foreign universities. He has shown a wonderful Funding proposal in alliance with Norway University in Power sector. The session was highly informative and well appreciated by the participants. The Session coordinator for Day 5 was Mr. V L N Simha, Asst. Prof. DSATM.

Day-6: Session – Effective writing of funding proposals by Dr. Shankar S

The 6th session was on - *Effective writing of funding proposals* and the Resource person was Dr Shankar S. This session covered topics such as Accepted and Rejected Funding Proposals, Objectives, Selection of the Topic, Methodology, Facilities available at Institution, National & International Work Status and Citation- Forward & Backward Citation and Outcome of the research proposal. It was an amazing session and well received by the participants. The session on Day 6 was coordinated by Dr Anjana Devi N , Assosiate Professor, Dept of MBA, DSATM

On the last day of one week virtual FDP there was Valedictory function on 20th November 2021. In the beginning of the valedictory function, Dr Anjana Devi N presented the report of one week Virtual FDP. Around 66 participants from various institutions participated in the program and learnt about the nuances of writing funding proposals, funding agencies and opportunities. The program concluded with vote of thanks by Dr. Geetha R ,HOD-MBA .

At the end of the session Feedback was taken from the participants. In order to measure the outcome of FDP , a quiz was administered as a reflective activity. The e-certificates were distributed to all the participants who succssfully completed the quiz. The FDP materials and Recordings were also shared with the participants via events_iqac@dsatm.edu.in drive link.

Feedback Summary:

Parameter	Average Rating on 5-point scale
Relevance of the Content	4.75
The speaker was clear, effective & stimulating	4.61
Competence of the Resource Person	4.68
Usefulness of insights shared	4.37
Time Management	4.68
Responsiveness of Organizing Team	4.58
Overall Effectiveness	4.63

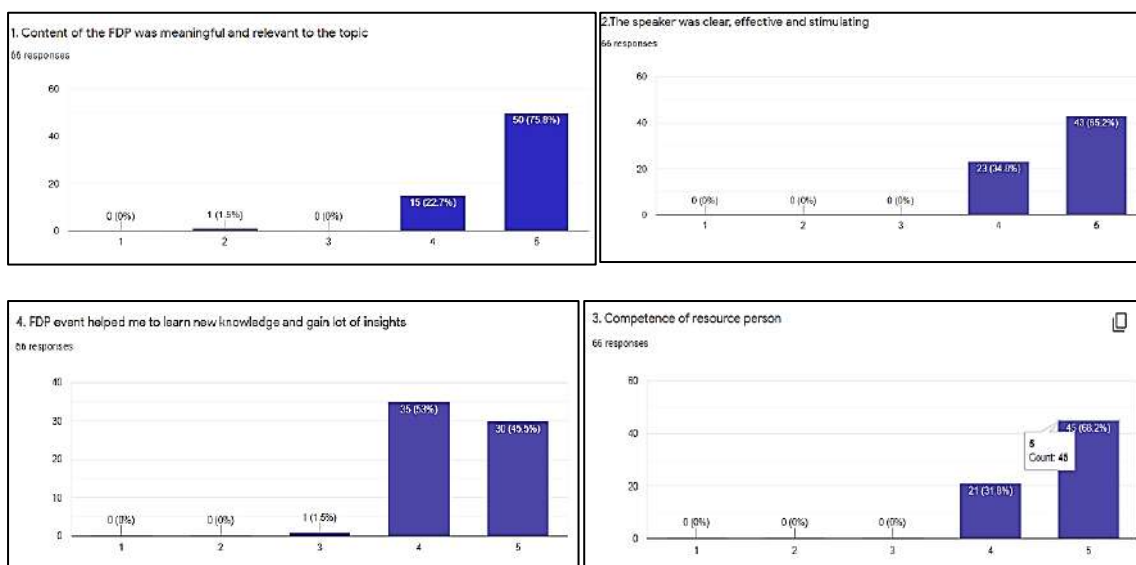

Open Feedback from participants

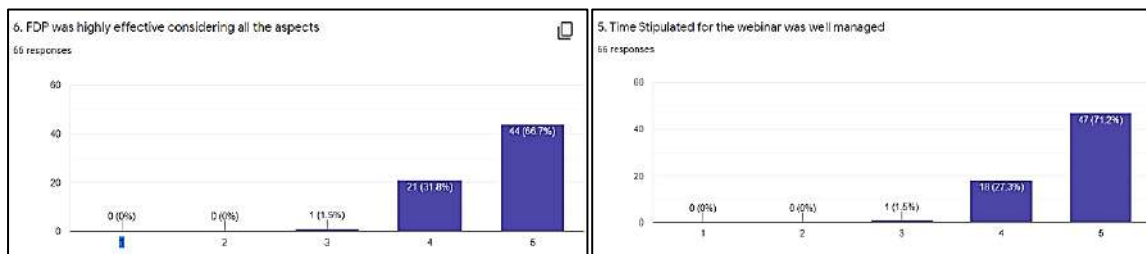

Participants found resource persons to be knowledgeable and the sessions of FDP to be very Informative and well organized and managed by the team. They appreciated the updates shared on Funding agencies and opportunities. Many mentioned that they learnt to write a research proposal, a few said that innovative thoughts were shared and the time was managed very well. Some participants requested to conduct similar FDPs in hybrid mode in future to enable many more participants to avail from it.

Suggestions for future FDPs:

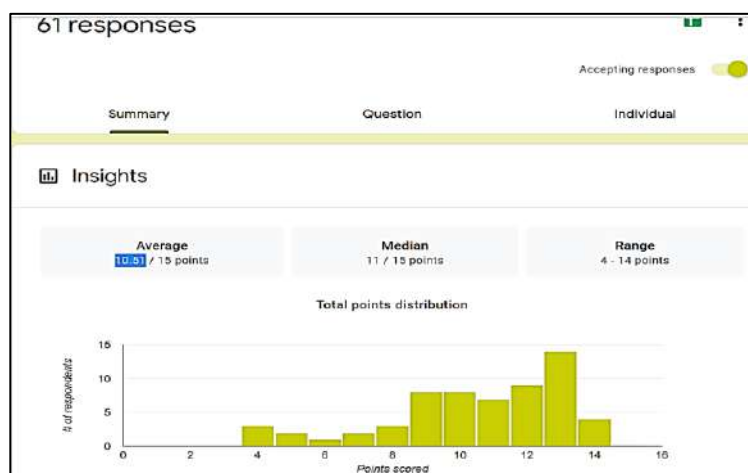

- Organise Similar FDPs in future
- Please organise FDP on Research methodology for PhD Scholars
- Workshop on Analytics can be organised,
- FDP on How to get Patents can be organised.
- FDP on SEM model

Summary of FDP Quiz Results:

EVENT 03: Kannada Rajyotsava Celebration on 29th November 2021

Event Name	Kannada Rajyotsava Celebrations at DSATM
Theme	Participation in Kannada Rajyotsava celebrations and activities hosted by NSS club under IQAC-DSATM
Date	29 th November 2021
Venue	DSATM amphitheatre
Coordinator	Mr. V L N Simha and Student Representatives supported NSS club in organizing the even

Objectives of the Programme:

1. To commemorate the formation of Karnataka state on 1st November 1956
2. To orient students towards the significance of celebrating Kannada Rajyotsava
3. To foster local culture and language.

Details of the Event:

NSS club of DSATM under IQAC organized Kannada Rajyotsava – “**Bramhi**” on 29th November 2021 in which staff members and students of all the departments actively participated . The celebration commenced with a procession which halted at the amphitheatre for inaugural function, award ceremony and cultural activities. The event was inaugurated by the Principal Dr. Ravishankar M, DSATM, Mr. Sreeni , Kannada Film Actor and Director , Dr. C. Nandini, Vice-Principal, Dr. Sumithra Devi K A, Dean , Academics, staff and students of DSATM.

Flash mob, singing, classical dance, stand up comedy show and stage plays were the highlights of the celebration. Principal and the guest honoured the prize winners who participated in various

competitions conducted on 28th November as part of Kannada Rajyotsave. Ms. Bhoomik of MBA Department was one of the emcees of the program. She anchored with precision. Dr. Divya. U , Asst. Prof. MBA participated in Essay writing competition and Ms. Shobha , Office Asst. participated in Rangoli competition .

Congratulations to Ms Pooja R student of of MBA III Semester participated in Rangoli competition and bagged first prize.

Staff and students of MBA Department Actively Participated in Rajyotsava Celebrations

Mr VLN Simha, the faculty coordinator of NSS for MBA Dept. and student coordinators- Praveen, Shrinidhii, Bhoomika, Rajeshwari, Arun, and Bhanupriya contributed significantly to ensure the success of the events.

Outcomes:

1. It instilled a spirit of honour for the state culture, Language and heritage among young minds.
2. Students were provided a platform to display their talents.

EVENT 04:

Event Name	Eduvation for Atmanirbhar Bharat – by Mr. Prasanth Palakkadiyil, Founder & Chief Business Facilitator, EMPSIS Solutions Global
Theme	Expert Talk
Date	30 th November 2021
Venue	Seminar Hall, M-block, Gr.floor
Participants	3 rd Semester students of 2020-22 batch and selected students from all branches of engineering – coordinated by Simha VLN

Objectives;

1. To give the students the opportunities to identify the different sectors of employment, including careers in Entrepreneurship.
2. To provide exposure to the various Skill Sets required to build a successful in their chosen industry sectors.

Details about the Activity:

Mr. Prasanth started off with mentioning the importance of being 'Atmanirbhar' in life and how it affects every aspect of the professional career. He made the participants take the pledge of Atmanirbhar Bharat, which gave the students an impressive feeling from the start itself.

The resource person was able to inspire all the participants to take a journey of their own strengths which should be aligned to their choices of industry sectors and which skills are required to acquire a good employment in the same.

He gave a list of about more than 60 commonly known qualities of people and about 20 odd skills necessary to align for a good employment in the industrial sectors. This became an exciting proposal for all the students to be stuck to their seats with awe! This was like telling them that if the required skills are picked up by them then the jobs will be in search of them!

The event witnessed 68 students from different branches of engineering and the entire class of 3rd semester students of 2020-22 batch totalling to 51, attended the event, taking the grand total of participants to 120 and about 10 faculties from MBA and engineering streams.

Ms. Pooja R, hosted the event by being the Master of ceremonies and Ms. Supritha Shekhar assisted in welcoming the guest. Ms. Harshitha Hegde took the responsibility of introducing the expert speaker and chief guest of the day, Mr. Prasanth Palakkadiyil, Founder & Chief Business Facilitator, EMPSIS Solutions Global. The formal event commenced with the opening remarks from Dr. Geetha R, Professor and HOD-MBA. Mr. Yashwanth and Abhilash took the role of providing the technical support and Deepak G covered the photography for the event. Vote of thanks for the event was delivered by Ms. Sindhu BR.

The speaker had a good interaction with the students as part of the probing questions he posed to the students constantly. In the end of the program the participants could also recognise many take aways, like being innovative and creative, strengths identification, inter-departmental collaboration, cross-functional association, industry trends, required skill sets, networking with

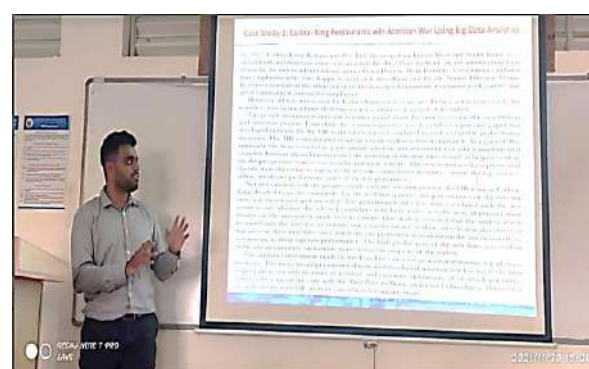

industries and acquiring industry oriented memberships. The entire event was lively, as all of them could identify themselves with wide range of opportunities open to them as the students could comprehend their journey on the way to be entrepreneurs.

Measurable outcomes, w.r.t. realisation of Vision:

- The students could identify their requirements of the sectoral choices in the industry.
- Many industry specific sectors could be identified for employment opportunities as well as in entrepreneurship.
- The majority of the trending skill sets required for future growth of economy were identified.

EVENT 05: Analytics Club - Case Seminar by MBA Sem 3 HR Elective Group

Event Name	Case Seminar
Theme	Analytics Case Discussion and Presentation by Students
Date	29 th and 30 th November 2021
Venue	LH 304, 3 rd Floor, M-Block
Participants	3 rd Semeste HR Elective Group students of 2020-22 batch
Coordinator	Dr. Geetha R, Prof and Head-MBA

Objectives:

1. To foster analytical and critical thinking among students
2. To enable them to understand HR Analytics course in a better way.
3. To enhance their communication skills and make

Details of the Event:

Students were constituted into 4 teams of 3-4 members each and were asked to analyze the given caselets to identify the problem and relate to the concepts learnt. This was conducted as part of the Analytics club

- **Case Study1:**Creating a Data Driven Culture – **Team1**
- **Case Study-2:** Google Analytics- Delivering Wonders for its Customers – **Team-2**
- **Case-3:**Culina King Wins Attrition War with Big Data Analytics- Google Analytics- Delivering Wonders for its Customers. **Team 3**
- **e-4:**Using Text Analytics for Hiring Candidates- Lessons from IBM- **Team 4**

Outcome : Students were capable understanding the conceptual rele.

Faculty Achievements/ Participation in External Events

1. Dr. Geetha R, Professor & HOD, DSATM is empanelled on the panel of examiners of Srinivas University , Mangalore to evaluate a DLitt. Thesis on- Neuro-Experiment in Entrepreneurial Choice making.

Her profile is posted on the Wall of Fame of NMKRV Womens' College Bangalore, her Alma Mater in recognition of her accomplishments.

1c. CMR University invited Dr. Geetha R as a Subject Matter Expert to evaluate a research proposal of PhD scholar at Pre-registration colloquium.

She participated in one week FDP on “Nuances of writing Research Proposals and Funding Opportunities” organized by the Department of MBA under IQAC & Research cell between 15th and 20th November, 2021. All students & Staff members of MBA and entrepreneurial aspirants from BE & B Arch took AatmaNirbhar Bharat pledge on 30th November 2021 at a seminar on – ***EduVation for AatmaNirbhar Bharat organized by MBA Dept. under IQAC, IIC and EDC and downloaded certificates. A Sample certificate is attached below.D***

2. Dr. Anjana Devi S C Associate Professor of DSATM received a Certificate of Appreciation for supporting to organize a webinar on –“*Creating a Thriving Classroom*” under IQAC and Women Empowerment Cell of DSAM in association with Peak Mind & Skillingindia on October 30th 2021 .

She also participated in one week FDP on “Nuances of writing Research Proposals and Funding Opportunities” organized by the Department of MBA under IQAC & Research cell between 15th and 20th November, 2021.

3. Dr. Divya U Associate Professor of DSATM ,participated in “National Level Five Day FDP on- Upskilling Personal Finance Planning” organized by the Department of Business Administration of Hindusthan College of Arts and Science between 25th and 29th Oct’2021 . She was appreciated by the HOD for organizing and coordinating one week FDP on “Nuances of writing Research Proposals and Funding Opportunities” under IQAC & Research cell , DSATM held between 15th to 20th November, 2021 .

Students' Achievements

Congratulations to Ms Pooja R student of of MBA III Semester participated in Rangoli competition and bagged first prize.

Congratulations to the IIC and EDC Coordinators on Successfully Conducting the Expert Talk on – EduVation for AatmaNirbhar Bharat.

SCHOOL OF ARCHITECTURE

EVENT 01: ART WORKSHOP

With the support of Our Director Gaddam D Ramesh SOA successfully conducted Fluid Art Workshop for students on 20th November, mentored by Ar.Shehzadi Fara Khan ,Assistant Professor .Students from various batches actively participated in two batches and explored fluid art .

LET'S PLAY WITH COLOURS, ON THIS SATURDAY, 20TH NOV. AT 10:00AM | FEE: ₹100/-

EVENT 02: MODEL MAKING FOR WORKING DRAWING -I

As part of Working drawing -I Studio , Students of 5th semester made models for Foundation details and excavations details. Subject Faculty Ar.Roopa,Ar.Nisreen ,Ar.Savita,Ar.Aparna

EVENT 03: TRIBAL VILLAGE VISIT

As part of Architectural Design Studio 5, SOA students visited Tribal Villages on 21st & 22nd November to study about the tribal settlements. Along with tribal representative and forest officer students visited Gowdlu tribal settlements in Mundagaru ,Gurgi tribal settlements near Sringeri and Hasalru tribal settlement in Seeke Balehonnur. Subject Faculty Ar.Vidya,Ar.Savita,Ar.Savita Rao,Ar.Shehzadi,Ar.Ananthramu

EVENT 04: SITE VISIT TO JAYANAGAR

As part of placemaking exercise of Architectural Design Studio 3, SOA students visited and studied Jayanagar 4th Block on 24th November. Subject Faculty Ar.Anushruthi ,Ar.Radha Dhawad,Ar.Vandana accompanied the students.

EVENT 05: KANNADA RAJYOTSAVA

SOA Student Faculty actively participated in Kannada Rajyotsava celebration conducted on 29th November 2021 .
