SOCIAL ACTIVITY #1

- ▶ What started as a dream to inspire the younger generation became a reality when Anshima Gupta, a Teach For India fellow got in touch with the Social Heads of SOA DSATM, to make a better classroom at Namma Sarkari Oriya, Kannada And Angla Madhyama Prathamil Shala, Belathur, Whitefield, Bangalore.
- ▶ The students of SOA DSATM saw this as a beautiful opportunity to make use of art and architecture and give back to the society.
- ▶ The Social group of Union 2017 along with a group of 20 students carried out it's first project at this school through funds from Prakruthi Infra & Shelters Pvt. Ltd and Mr. Shamaaz, a social activity enthusiast.
- ▶ The project started on 11/2/17 and was completed on 12/2/17.
- ▶ From a small dull classroom, the students added colour and thought to the atmosphere making it an environment full of life.
- ▶ The project involved painting the walls with informative murals, installing wooden shelves, transforming the ceiling into a two dimensional solar system.
- ▶ We believe today's reader is tomorrow's leader and we will continue to do our bit to make this world a better place to live in.
