“Unleashing potential: the dynamic world of sports at DSATM”

Dayananda Sagar Academy of Technology & Management is committed to adhere to the highest standard of academic rigor for the students. The college provides a congenial learning environment within its lush green sprawling campus with adequate sports infrastructure facilities. Keeping in view the importance of sports for health and fitness, the institution encourages participation of students in various games, events.

Physical recreation through games and sports has been the priority of the college since its very inception. The spacious sports facilities of the college are being used for playing Basketball, Volleyball, Throw ball, Badminton, squash, Table tennis, etc along with facilities for yoga Gymnasium, weightlifting, Chess and Carom.

All the physical activities require time and energy. Sports enhance the cognitive memory of the brain, helps and initiates in taking quick decisions, also help students excel academically. All sorts of physical activities help in burning calories. Sports help control ones weight and reduce the risk of obesity and most important benefit of sports is that it helps in reducing stress levels.

Achieving sports goals at our institution builds self-confidence and acts as a natural stress reliever, contributing to mental health and well-being. Lessons in teamwork and effective communication in our top-notch sports facilities transfer to problem-solving, fostering leadership skills.

Sports at Dayananda Sagar Academy instill discipline, steering students from negative influences and contributing to academic success. Furthermore, our sports facilities contribute to teaching emotional intelligence, aiding students in managing emotions in life challenges.

In conclusion, sports at Dayananda Sagar Academy impact college students beyond the physical, shaping character, leadership, and overall well-being. Our dedication to providing outstanding sports facilities ensures that these lessons resonate beyond academia, equipping individuals with resilience and skills for success in various aspects of life.
