DEPARTMENT OF INFORMATION SCIENCE

Event Name	“External AUDIT- NBA ”
Theme	Audit of NBA Documents
Date	10-02-2023
Venue	Lecture Hall 309, ”A”, Department of ISE, DSATM

Objective :

- The purpose of an academic audit is to encourage Programs, Departments and the Institution to evaluate their “Education Quality processes and standards” based on predetermined benchmarks and to suggest activities required to produce, assure, and regularly improve the quality of the whole system.
- To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses while teaching, learning and evaluation, student support and progression
- To ascertain whether the Departments/ centers are functioning efficiently and effectively with proven records of capacity building, research projects and publications and extension over a period of time or not
- To identify the bottlenecks in the existing administrative mechanisms and to identify the opportunities for academic reforms, administrative reforms and examination reforms for a long-term progression with excellence and to face the challenges of Internationalization in Higher education.
- To suggest the methods of improvement for maintaining quality in higher education.

Purpose: To provide platform to interactive expert evaluators and get quality check done.

About the Program:

External audit after NBA accreditation an annual audit procedure conducted to assess the improvement in quality , Teaching learning process , research and all the other parameters which are key indicators of criteria in NBA.

The Assessment parameters of the audit are criteria parameters and some key indicators to direct towards progress were set by institution.

Resource person:

Dr.N. Jaisankar is Professor(Higher Academic Grade) in the School of Computer Science and Engineering at Vellore Institute of Technology, Vellore, India.

Vision:

To enrich the departments with aspects like quality , research , technology by regularly reviewing the various academic aspects.
