

RESTORE CHILDHOOD

Create tech-solutions to eradicate child labour and get kids back in school

ACCENTURE INNOVATION CHALLENGE

Technology is transforming the lives of innumerable children. Do you have an innovation that can touch more lives?

The Accenture Innovation Challenge is now LIVE.

Here's your chance to showcase your ground-breaking idea on a national platform. We are looking for innovations on '**Businesses**' and the '**Society**' that have the power to innovate the future and make an impact on the way we live and work. You can participate as an individual or as a team (with up to four team members).

What's in it for you?

If you win the grand prize, each of you could take home prizes worth INR 1,50,000. What's more? We have exciting prizes for winners of each theme and other special categories.

To learn more about the themes, prizes and challenge, visit the [Accenture Innovation Challenge](#) website.

Start submitting your ideas now.

The deadline for submission is **August 12, 2018**.
