REPORT ON PROCEEDINGS

Alumni Interaction

Event Name	ALUMNI INTERACTION		
Theme	Abroad Studies: Scope and Opportunities in Civil Engineering		
Date	14/01/2023	Time:	12.00noon to 1.30pm
Venue	C-203 'C' Block		
Key Note Speaker	Ms. Thrilekha Ray		
Target audience	III and V Semester		
Facilitators	Coordinator: Dr. K N Vishwanath Prof & Head Dept of Civil Prof. Deepthi B P Asst.prof Dept of Civil		
Mode	On-line mode, Google meet platform meet.google.com/quv-hrux-czu		

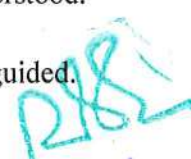

No. of Participants:- 52

Objectives of the Program/ Event:

- Making students to hear from Alumni about the scope of studying in abroad related to civil courses.
- Selection of universities and other related issues pertaining to higher studies in abroad.
- Opportunities for Civil graduates in abroad.

Measurable outcomes:

- Students could understand the academic and financial requirements to pursue higher studies.
- Proper planning, and systematic approach involved in the process were understood.
- Scholarships and program exchange approaches for aspiring students were guided.

Did Alumni(Speaker) cover all the topics in the talk
25 responses

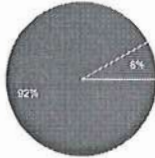

- Almost covered
- Moderately covered
- Slightly covered

Did Speaker meet the student expectation
25 responses

- Met expectation fully
- Met expectation partially
- Met expectation slightly

Are you able to identify the universities for further studies
25 responses

- yes
- no

Has the speaker given insight on how to get prepared to higher studies by the time you complete the engineering program
25 responses

- completely
- Substantially
- Slightly

Alumni Interaction

Event Name	ALUMNI INTERACTION		
Theme	Transition from Student to Site Engineer		
Date	14/03/2023	Time:	12.00noon to 1.30pm
Venue	C-203 'C' Block		
Key Note Speaker	Mr. Rohan		
Target audience	III Semester		
Facilitators	Coordinator: Dr. K N Vishwanath Prof & Head Dept of Civil Prof. Deepthi B P Asst. Prof Dept of Civil		
Mode	Offline		

No. of Participants: 20

Objectives of the Program/ Event:

- Making the students to hear from Alumni about the scope of site engineer.
- Knowledge and adaption required during transition from student to site engineer.
- Opportunities for Civil graduates in construction sites.

Measurable outcomes:

- Students could understand the academic requirements to pursue career as site engineer.
- Systematic approach required and involved in the site work were understood.
- Insights were given to overcome the constraints involved in site work.

REPORT ON PROCEEDINGS

Open Day- Project Exhibition

Event Name	Open Day- Project Exhibition		
Theme	Exhibition of final year student projects		
Date	19/05/2023	Time:	11.00am to 5.00pm
Venue	'C' Block, Ground floor		
Alumni Judges	Ms Teja M and Mr. Udit Anshumalin Shah		
Target audience	VIII Semester		
Facilitators	Coordinator: Dr. K N Vishwanath Prof & Head Dept of Civil Prof. Deepthi B P Prof Shreyas BV		
Mode	Offline		

No. of Participants: 65

Objectives of the Program/ Event:

- To provide the students an insight into the importance of project towards its practical application.
- Creating an awareness among the students about the expectations from an industry from their project experience.
- To extract the students understanding of their project work and its society implications.
- To initiate their thinking in converting the project work into a product/patent/publication.

Measurable outcomes:

- Students could get substantial idea about the practical aspects of the project.
- They did understand their responsibility in gaining the requisite knowledge from industrial perspective.

- Students gained sufficient confidence while transpiring their acquired knowledge during the project work.
- Few batches developed interest in continuing their project work towards product/patent/publication.

Photo Gallery

Mr Udit and Ms Teja interacted with each and every batch for considerably good amount of time, extracting the work carried out, its importance and societal usage. They provided appreciable inputs, guidance highlighting the lacunae/ gap in each and every project work. Students felt totally comfortable and at ease with these alumni as evaluators for the day.
