Details about the event:

- From the Department of Management Studies we invited the Alumni Batches from 2011 and the theme of discussion communicated was the marketable skills required by the students to be selected by the top companies for all respective specializations.
- Our Alumni were from different companies like EY, Sonata Software, Scripbox Ltd, Accenture, PWC etc.
- Alumni had an interactive session with the students and gave motivational talk regarding preparing for higher studies and placements.
- Discussions regarding the current trends, skills required in each Industry and corporate world. Our Alumni advised students towards taking up relevant online certifications of various courses in renowned platforms preferred by the industry like Google, SAP and Microsoft certifications.
- They shared about various job opportunities and the importance about creating networks on platforms like LinkedIn and other renowned Job sites.

Measurable outcomes, w.r.t. realization of Vision:

- Created a platform for our students to receive valuable resources and networking opportunities from the alumni.
- It helps our students to stay updated and connected with the corporate industry.
- Information was delivered on various skills and certifications for each respective specializations.
