****Sahasini Gowda****

CEO and Founder, Dhenukriya Ayurved Private Limited

Tagline: Happy Animal, Happy Family

Sahasini Gowda stands as an exemplary entrepreneur and advocate for animal well-being, showcasing her deep commitment to animal welfare and holistic wellness. Through her role as CEO and Founder of Dhenukriya Ayurved Private Limited, she seamlessly merges her entrepreneurial prowess with a relentless dedication to enhancing the lives of both animals and their human companions.

Recognized on the global stage, Sahasini was honored with the prestigious International Sustainability Award by the INBCB Business Circle Netherlands, a true testament to her unwavering pursuit of sustainable solutions that span borders.

Evidencing her exceptional talents, Sahasini has secured numerous accolades, including her triumphant win in the ICAR's NIVEDI Business competition, earning her a substantial prize of 5 Lakh rupees. She further solidified her position as an accomplished entrepreneur by emerging victorious in the National B-Plan Challenge in Bangalore. Additionally, her distinction as a finalist in the Indian Innovation Contest, INDINOVATE, and the esteemed Elevate Karnataka initiative underscores her ability to transform innovative concepts into impactful realities.

Sahasini's vision, encapsulated in the motto "Happy Animal, Happy Family," envisions a world where animal and human well-being coexist harmoniously. Her profound accomplishments and dedication to sustainability serve as a beacon of inspiration, encouraging individuals globally to channel entrepreneurship for meaningful change.

Event Name	Workshop on “PROCESS AND TOOLS OF INNOVATION & DESIGN THINKING”
Theme	What is Innovation - Importance and Systematic Innovation Design Thinking methods and Tools
Date	11.03.2023
Time	09:30AM to 11:00AM
Venue	Seminar Hall, 4th Floor, A-Block, DSATM

Objectives of the Program/ Event:

- Fundamental concept of innovation and design thinking
- Design thinking for product and service development

RSS
Principal

Purpose:

- To explain the fundamental concept of innovation and design thinking.
- Exploring the Industry practices in the field of innovation
- To discuss the methods of implementing design thinking in real world.

About the Topic: As per academic syllabus of Innovation and Design Thinking (21IDT19), Workshop has to be conducted for first/Second semester students. The session was started by introductory note on the external expert resource person, Mr. Arjun Satyanarayan, Business Development Manager, BR New Service Solution Division, Toyota Kirloskar Motor, Bangalore, by Dr. Nallamuthu N, HOD, Dept. of Physics, DSATM. The following topics were covered in the workshop

- Innovation – An Introduction
- Implementing design thinking in the real world.
- Case studies on design thinking for real-time interaction and analysis
- Students query session and discussion

Resource person/ participants Mr. Arjun Satyanarayan, Business Development Manager, BR New Service Solution Division, Toyota Kirloskar Motor, Bangalore, has graced the occasion as resource person for the session.

Number of participants: About 350 First semester students of physics cycle were participated.

Vision: To provide an introduction to the basic concepts and techniques of Innovation and Design Thinking, the process of design, analytical thinking and ideas.

Measurable outcomes: Participants were able to

- Understand various phases in Design Thinking process.
- Identify the significance of Innovation
- Generate and develop design ideas through different techniques
