Republic Day 2023: India to celebrate its 74th Republic Day on 26th January 2023. On this day, the Constitution of India was adopted in the year 1950. Republic Day is one of the most important National Holidays in India which is also known as Gantantra Diwas. 26th January 1950 makes the establishment of the Indian Constitution was prepared by the members of the Constituent Assembly which emerged after the brutal colonial past.

Republic Day makes the adoption of the Constitution of India. 26th January was announced as Republic Day because the Indian National Congress published the Purna Swaraj or Declaration of Indian Independence on 26th January 1930 rejecting the dominance of the British government. India gained its Independence on 15th August 1947 and after a few days, on 29th August a committee was established to draft a long-term Constitution for an Independent India.

The chairperson of the committee was Dr. B.R. Ambedkar. The constitution was drafted by the committee and delivered to the Constituent Assembly on 4th November 1947. The assembly conducted multiple sessions for two years before finalizing the draft. After several meetings and discussions, the 308 Assembly Members signed two handwritten copies one in Hindi and one in English on 24th January 1950. The constitution of India was adopted on 26th January 1950 and came into effect. On that day, Dr. Rajendra Prasad became the first President of India.

Keeping this aim in view, NSS-Team DSATM celebrated Republic Day 2023 in collaboration with the Physical education department for the students of DSATM.

KSCST, Bangalore.

About the Event:

World's Intellectual Property Rights (IPR) Day was celebrated on 26th March 2023 at DSATM. It was professionally manoeuvred by the organizing team under the able guidance of the Principal and Dean –Academics. The event witnessed by the participation of resource person Ms. Priyanka, Project Associate, KSCST and forty faculties from all the departments. For a token of appreciation of patent activities, IPR cell identified the first author of active patent grants & patent publications with DSATM affiliation and given with certificates. The objective of this event is to promote innovations through IPR and increase the creativity among faculties and students. In this regard, Ms. Priyanka, KSCST has delivered a talk on **IP Ecosystem in Karnataka**. Then, She shared various funding schemes including women centered funding schemes under KSCST and the impact of patents & its royalties.

Target Audience: Faculties of DSATM.

Identification and addressing the GAP: Converting the Innovative ideas in to project prototype and apply for patent and how to commercialize the patent by scaling up the prototype.

Measurable outcomes:

- Created the awareness on Intellectual property Rights and IP policies in karnataka to the faculties.
- Known about the various funding schemes under KSCST which promotes IPR.
- Learnt how to create an identity to our work.

Preferably Measurable outcomes:

- Evaluate the creative and problem solving skills of the students
- Identify the innovative ideas in the form of project implementation
- Evaluate the quality of project from industry perspective
- Prototype form of the project to be converted to research publications, products or patents

Impact of the feedback:

The feedback reflects that all projects exhibited immense amounts of research. The results were promising, the models were immersive and the prototypes were well-engineered. The outcomes of these projects appropriately complemented the industry in its growth and expanse. Select exhibits also showed new directions the industry could assume in the nearest future.

Suggestion for the scope of improvement in Techniques to improve problem identification, essential problem-solving and management processes performed at various stages of project development can improve how the outcomes of the projects can attain value in real-world scenarios. In parallel, importance towards effective presentation techniques and visual design can enrich the experience at exhibitions. Explore more real-world test cases and/or multiple test cases to get more accurate results.

A REPORT ON

INTERNATIONAL YOGA DAY CELEBRATION-2023

Title: International Yoga Day: Promoting Health and Well-being through Yoga

Date: 21st June 2023

- 1. Introduction** International Yoga Day, celebrated on 21st June every year, is an occasion that highlights the significant role of yoga in promoting physical, mental, and spiritual well-being. This day serves as a global platform to raise awareness about the numerous benefits of yoga and encourages individuals from all walks of life to adopt yoga as a holistic approach to a healthier lifestyle.
- 2. Background** International Yoga Day was first proposed by the Prime Minister of India, Mr. Narendra Modi, during his speech at the United Nations General Assembly in 2014. The resolution was unanimously adopted by the UN, marking 21st June as the International Day of Yoga. The chosen date coincides with the Summer Solstice, the longest day of the year in the Northern Hemisphere, which holds special significance in various cultures.
- 3. Objectives** The primary objectives of International Yoga Day are as follows:
 - a) Raise awareness about the physical and mental health benefits of yoga.
 - b) Encourage individuals to integrate yoga into their daily lives.
 - c) Promote yoga as a means to achieve peace, harmony, and balance.
 - d) Foster international cooperation and solidarity through the practice of yoga.
- 4. Significance of Yoga:** Yoga, originating from ancient Indian traditions, has gained global recognition due to its transformative effects on individuals' physical, mental, and spiritual well-being. Its practice involves physical postures (asanas), breathing exercises (pranayama), meditation, and mindfulness techniques.

The benefits of yoga include:

- Improved flexibility, strength, and posture.
- Stress reduction and enhanced mental well-being.
- Increased mindfulness and self-awareness.
- Boosted immunity and overall physical health.
- Promoted emotional balance and inner peace.

- Facilitated weight management and improved cardiovascular health.
5. **Global Observance** International Yoga Day has been widely embraced by nations around the world, with millions of people participating in yoga events, workshops, and demonstrations. Governments, non-governmental organizations, yoga institutes, and fitness centers organize various activities to commemorate this day. These activities may include mass yoga sessions, public lectures, seminars, and cultural programs promoting the rich heritage of yoga.
 6. International Yoga Day was celebrated in NSS-unit, DSATM in association with Department of Electronics and communication with Two resource persons namely Prof.Apoorva and Prof.Mahadev who taught yoga for staffs and students how to do yoga and importance of Yoga. Nearly 50 participants were participated.
 7. **Impact and Future Outlook** International Yoga Day has had a profound impact in spreading awareness about yoga and its benefits globally. It has inspired millions of people to incorporate yoga into their daily routines, resulting in improved physical fitness, mental well-being, and a sense of connectedness. The event has also fostered cultural exchange and understanding among nations through the shared practice of yoga.

Looking ahead, it is important to sustain the momentum generated by International Yoga Day and continue promoting yoga as a way of life. Governments, educational institutions, and healthcare organizations should collaborate to integrate yoga programs into school curricula, workplace wellness initiatives, and healthcare systems. By doing so, we can unlock the full potential of yoga in nurturing healthier and more balanced societies.

8. **Conclusion** International Yoga Day serves as a global platform to celebrate and promote the practice of yoga. With its immense physical, mental, and spiritual benefits, yoga has the power to transform lives and contribute to a more harmonious world. By recognizing and embracing yoga's positive impact, we can collectively move towards a healthier and more peaceful future.

On the auspicious occasion of India's 77th Independence Day, Dayananda Sagar Academy of Technology and Management (DSATM) celebrated the day with great enthusiasm and patriotic fervor. The event was organized by a collaborative effort of the NSS-Unit, Department of Physical Education, and the NCC Cadets, with the objective of fostering a sense of patriotism, unity, and national pride among the students and staff.

The Independence Day celebration at DSATM was marked by a series of activities that brought together the entire DSATM community:

Flag Hoisting: The event commenced with the hoisting of the Indian National Flag by the Principal of DSATM. The tricolor soared high, and the audience paid their respects to the flag with the national anthem.

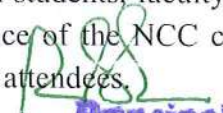

Patriotic Songs and Cultural Performances: Students and staff came together to present a vibrant and patriotic cultural program that included patriotic songs, dance performances, and skits. The participants showcased the rich cultural diversity and unity of India through their artistic expressions.

Speeches and Inspirational Addresses: Eminent personalities from various fields, including faculty members, delivered speeches and inspirational addresses highlighting the significance of Independence Day and the importance of patriotism in building a strong nation.

NCC Cadet March Past: The NCC cadets, dressed in their impeccable uniforms, conducted a disciplined march past, displaying their commitment to the nation and their dedication to maintaining discipline and order.

The Independence Day celebration witnessed active participation from students, faculty, and staff, creating a sense of unity and shared national pride. The presence of the NCC cadets added an element of discipline and patriotism to the event, inspiring all attendees.

Kannada Rajyotsava -The Karnataka Formation Day; literally "Birth of the Karnataka state") is celebrated on 1 November of every year. This was the day in 1956 when all the Kannada language-speaking regions of South India were merged to form the state of Karnataka. The Rajyotsava day is listed as a government holiday in the state of Karnataka and is celebrated by Kannadigas across the world.

This is celebrated in Karnataka as a festival. It is celebrated by Kannadigas across the state without any discrimination of caste or religion. On this day, people wear traditional attire. Male can be seen dressed in a yellow and red turban and females wear yellow and red coloured saree. The celebrations are marked by multicoloured paintings carrying the picture of Goddess of Bhuvaneshwari painted on a fabulously decorated vehicle.

On this day, many people celebrate Karnataka rajyotsava by hoisting the Karnataka flag followed by the Kannada anthem. This celebration includes Karnataka folk music and folk dance like Dollu Kunitha and Veeragas which were performed by the people in their precincts.

Significance of Karnataka Flag: It is a bi-coloured flag, which symbolizes the auspiciousness and welfare of Karnataka and Kannada people across the state. The flag is divided into two shades where yellow depicts Arrishna (turmeric) and red represents Kumkuma (Vermilion). This bi-coloured flag was created by Kannada writer and activist Ma Ramamurthy for a pro-Kannada political party called The Kannada Paksha. Karnataka Flag has been accepted now by pro activists parties for the welfare and symbol of the state pride. The flag is hoisted on the day of Karnataka Rajyotsava on November 1st as a state formation day. People celebrate this day as a festival and express their happiness.

With the cooperation of students, faculty, staff members and Management was decided to celebrate **Kannada Rajyotsava on 25/11/2023.**

The Rajyotsava celebration has been planned and celebration began one week before by conducting so many cultural events to both students and staffs of DSATM. The details of the events are given below.
