The commemoration of Valmiki Jayanti happens every year on the day of the full moon in the month of Ashwin. The day is marked to celebrate the birth of Maharishi Valmiki. He was the author of the legendary Ramayana. Valmiki Jayanti is being celebrated today, 9 October this year. This day is marked in many places across India by conducting various religious programs.

As per the mythology, Maharishi Valmiki was initially a dacoit and his original name was Ratnakar. But later, he realised that he was on the wrong path. So, he left that path and adopted the path of religion.

Keeping this aim in view, NSS-Team DSATM celebrated valmiki Jayanthi on 9<sup>th</sup> october 2022 in collaboration with the Physical education department for the students of DSATM.
