A Report on World Environment Day held at DSATM on 14/06/22 organized by NSS-unit

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. From school children to community groups, companies and governments, all come together to pledge towards building a greener planet.

Keeping this aim in view, NSS-Team DSATM conducted green awareness programme on 14th June 2022 in collaboration with the Civil Engineering for the students of DSATM. The event was conducted successfully with whole hearted participation and awareness for a greener World.

Students presented the posters related to the environment, global warming, deforestation, Saving water, soil etc.

The college management Chief Ms. Natasha madam Examined the presentation and appreciated the volunteers who are all presented. Principal Dr.M.Ravishankar, N.S.S Officer, Dr.Madhusudhana.H.C and All department Heads were appreciated the students posters.
