Discussions:

Principal, DSATM presented the outline of the program.

1. The following points were covered by Principal:

- OBE Philosophy is more of learning and less of teaching
- OBE imply knowing what you want to achieve and then taking steps to do so.
- Lower level (Remember, Understand) not to be mapped to any Program Outcome.
- Use Remember and Understand level Questions for Slow learners.
- For each module define course objectives and outcomes. Define the methodology and activities. Also define assessment methods and match with outcomes.
- KSA : Knowledge, Skill, Attitude importance and meaning.
- Encourage students to participate in Hackathons.
- First Assignment : Select a course you are handling, write the learning goals for the course.
