Personality development program	
Resource Person	Mr. Jayasimha
Event	" Personality development program "
Students	First semester students
Date	23.11.2016
Report	<p>As a part of personality development skills, Mr. Jayasimha told us about how a single word "THINK" changed his entire life. We also learnt about how the youth is getting sensitive in recent past and he quoted few examples about the young people who have achieved very big in their young age, He also spoke about mentality, potential of each individual and confidence. Few magic activities he performed made students involve even more in the programme. And his sense of humour throughout the programme was remarkable. We also learnt about loyalty, integrity, kindness, healthy food etc. At this stage of our professional year such programme was very beneficial and every individual made use of it to the fullest. the students in bringing out the news letter. She also facilitated the guest.</p>
Outcome	<p>Positive Thinking Responsibilities Excellence in Studies Every individual is potential</p> <div style="text-align: right;">  Dr. P. P.
